

Choose Ohio First Scholarship Application

The Ohio State University regional campuses are proud to announce the Choose Ohio First Scholarship opportunity. Each campus has the privilege to award a select number of Middle Childhood Education majors (with a concentration in science) a \$2,000 Choose Ohio First Scholarship.

The Choose Ohio First Scholarships are funded by the State of Ohio with the objective of increasing the number of science, technology, engineering and math graduates and retaining them in jobs within the Buckeye state. The scholarship is renewable based on eligibility requirements.

Eligibility requirements include:

- Completed a minimum of 90 credit hours by Autumn 2009.
- Be a Middle Childhood Education major on a regional campus of Ohio State.
- Have a science concentration.
- Complete a minimum of 4 required science courses, two of which must be lab sciences.
- Maintain a cumulative 3.00 GPA or higher in all science courses.
- Have financial need.
- Complete application and essay responses.

Please respond to the following questions in 500 words (each) or less:

1. Discuss your professional goals. How will your teaching science to Ohio's students benefit the future of our state?

2. Discuss your life experiences that demonstrate your commitment to working with underserved or underprivileged populations; OR obstacles you have overcome, such as socioeconomic or educational disadvantages or disabilities; OR what unique life experiences and ideas do you have that will attract and keep more Ohioans in the Science field?

Applicant's Signature _____

Submit Applications to the Office of Student Financial Aid on your campus.
